

November 22, 2025: On Presenting a Moral Dilemma for Satanists

Satanists, Nazis, Freemasons and Presidents of the United States of America:

Please take the time needed to clarify within your own minds what it is that you actually believe before you continue to deceive yourself and others.

Please answer in your own notes how you can be 'rebellious against God' and also 'be God' at the same time.

Go ahead. Take all of the time that you need.

You are simply making up your own logic and reasoning to fit your particular needs at any given time. You are a fake.

Your best answer is that you are replacing the true God with yourself as a god. You are presenting yourself as a false idol.

Wear your mask in shame.
